## REPORT.

---

The average liberality of Christian men and women is much higher than we are wont to imagine.

Few are to be found who are not willing to relieve distress and minister to the real wants of others, when they have the ability. The great drawback—that which restrains active charity—is the uncertainty which attends efforts to help others.

Those who dive into alleys, or creep up into garrets, or are appealed to by applicants for help in the public streets, are naturally discouraged when they find, as they too often do, that their labor has been in vain, their liberality useless, because the objects have proved unworthy. No one wishes to encourage idleness or minister to intemperance, or help dishonesty, or patronize imposture. So benevolence having been disappointed, grows weary of its work, and the hand of the liberal closes on the purse, and the poor are neglected, because the unworthy have been the recipients of its charities.

Show a true case of deserving distress, where charity may be judiciously applied, and there is little fear that we can ever fail of securing attention.

In this confidence, the Managers of the Southern Home for Destitute Children appeal to the public for help. Their work is a sure work—they labor for the young, who are objects of interest, and who are not likely to deceive or disappoint them. They take the torrent at its source, when it is only a little stream, and can easily be directed. No one hopes to stop a river, but find the little rill, which first feeds it and forms its source, and a few hours work will suffice to form a new and safe channel, and that which devastated wide wastes of land may be made to refresh many fields—turn the wheels of many mills, and give drink to many cattle who come to its borders.

Taking young children under their care, they turn them from habits which lead to the Almshouse and Penitentiary, and direct them into useful ways, and encourage them to industrial efforts.

It is hard to reclaim the old offender, but how comparatively easy to protect and help the young and inexperienced! The State would do itself good service, if it would liberally sustain such nurseries of helpless youth, for it would save vast amounts of money, now expended in prosecuting trespassers and confining criminals. How much more satisfactory, too, to prevent, than to punish vice!

The work of this Society is to take little ones from the streets and from scenes of temptation, and prepare them for useful labors and honest industry. Its Managers follow up the good work begun, and do not lose sight of those whom they have provided (when prepared,) with places of trust and usefulness. Feeling persuaded that their work is wise and thorough, they appeal to their fellow citizens for the aid they need.

During the year 1874, 147 children were received into the Institution; 34 were placed out, 31 returned to parents and friends, and two died of membranous croup: 118 are at present in the Home, all in perfect health. It is not surprising that the sanitary condition of the Home is so excellent, when we take into consideration, that during the slightest illness our little ones receive the faithful professional services of Drs. James H. Hutchinson, O. H. Allis, and J. M. Hayes.

The Managers take great pleasure in expressing their appreciation of the Matron—Miss Phillips—for her discipline, economy, and forethought; she deserves their particular commendation. Miss Maria Phillips, the Assistant Matron, in her department, is untiring in her efforts. Ninety-nine children are taught daily in the school room by Miss Beresford, assisted by her sister. Mr. Field, Visiting Agent, proving satisfactory, has been re-appointed.

Our subscribers, in our last year's Report, were informed, that the Managers of this Institution had also taken charge of the "Little Wanderers' Home," 825 Bainbridge street, now known as "The Temporary Home," and removed to 1112 Fitzwater street, where 30 children are now boarded for a small sum per week. This little Institution, we trust, during the coming year, will receive its portion of crumbs from the rich man's table. Mrs. De La Statins, Matron; Miss Fugett, Teacher; Dr. A. Meigs and Dr. Starr, Physicians.

We again gratefully acknowledge the receipt of sundry ground

rents from Mr. I. V. Williamson, amounting to \$4,925 00 making, with those already donated, the sum of \$9,860 30, which, at the request of the donor, is to remain as a permanent investment.

We tender our thanks to the Camden and Atlantic Rail Road Company, for an excursion enjoyed by 97 of our children, on the 8th of September. A run on the beach, for the first part of the programme; a dinner, consisting of sandwiches, bread and butter, cakes, peaches and apples—a plentiful supply, to which all did justice—another run until 2 o'clock, when carriages and omnibusses, provided by friends, started with the children for an hour's ride. This was, of course, to them an important feature of the day's pleasure. On their return all assembled again in the dining room to a feast of ice cream, cakes and peaches. At 4 P. M. the roll was called, each little head counted, and the line formed; while waiting, several pieces were sung by each band, quite interesting to the strangers who had collected.

In due time all were nicely seated in the cars, and after a pleasant ride, reached the city at 7.30 P. M., tired but happy.

In closing we desire to refer, in an especial manner, to the kindness of friends at Atlantic City. First among them. Mrs. Rene Guillou and Mrs. R. Canby, through whose influence and energy were donated the carriages for riding, the use of dishes and service at the Excursion House, one hundred loaves of bread, ten pounds of butter, four baskets of peaches, ice cream and cakes—an abundance for all. Mrs. Canby remaining the entire time, giving her services in the way of helping and directing; her kindness closing with the offer of all supplies and services for next summer.

On the 27th of March the Home celebrated its twenty-fifth Anniversary, or Silver Wedding, as it was termed; many of its patrons were present and seemed to enjoy the ceremonies, and its Managers were fully repaid for their efforts to make it a success.

## A D D E N D A .

The Managers desire to call attention to the fact, that during the past year, on application of the Board, the *corporate title* of the Institution has been changed by the Judges of the Court of

Common Pleas, with consent of the State authorities, to "*The Southern Home for Destitute Children*," by which name it will hereafter be known. The order of Court authorizing this change, will be found as follows:—

*"In the Matter of the Amendment to the Charter of the Trustees of the Union School and Children's Home.*

"And now, June 1st, 1874, the Petition of the Trustees of the Union School and Children's Home, praying for the amendment of the Charter of the said Corporation, having been heretofore, to wit:—on the 17th day of April, A. D. 1874, filed in the office of the Prothonotary of said Court, and due proof having been exhibited to the Court of the publication of notice of the said application in a newspaper of the said county, agreeably to the Act of Assembly in such case made and provided, and to the order of said Court, and also that proper notice has been given to the Auditor-General of the Commonwealth, in accordance with the Act of Assembly of 20th of April, A. D. 1869, and no cause to the contrary being shown, and it appearing to the Court that the said Amendment is and will be lawful and beneficial, on motion of J. Sergeant Price, Esq., it is declared and decreed, that the said Amendment, as hereinbefore set forth, shall be deemed and taken to be a part of the said Charter. to all intents and purposes as if the same had been originally made a part thereof. And it is also further ordered and decreed, that the said Amendment be recorded in the Office for Recording Deeds, &c., in and for the County aforesaid."

Recorded in the Office for Recording Deeds, &c., in and for the City and County of Philadelphia, in Charter Book F. F. W., No. 1, page 463, &c.

Witness my hand and seal of office, this first day of  
October, A. D. 1874.
